

## INTERFILIÈRE Paris

is a unique international event

**for lingerie, swimwear and activewear materials and accessories.**

Interfilière is the proven platform for making contacts and doing business. It's the place where all the professionals in the international lingerie and beachwear markets come together. The trade show is an incubator for progressive thinking and an accelerator for trends. Interfilière explains what consumers want and anticipates evolutions in growth markets. More than ever before, it's the reflection of a constantly changing international market that's driven by innovation and performance.

**The performance of fibres, fabrics, skills, machines, design and more...**

## INTERFILIÈRE PARIS STIMULATES NEW IDEAS

In response to a clear demand, the show keeps visitors and exhibitors up-to-date with all the latest industry news and information, offering an unrivalled overview and understanding of the market. It is also a valuable source of inspiration for ready-to-wear and haute couture professionals.

Keeping pace with all the latest industry developments and **working in synergy with the Salon International de la Lingerie et du Swimwear**, Interfilière offers constant, solid value, as proven by its loyal following of the market's most influential players.
